

Dance/Etiquette Session Carpool Instructions

- Always **ENTER** from Corporate Boulevard and **EXIT** Jefferson Highway
- Please do not drop off more than 15 minutes prior to start time

7th GRADE CARPOOL DROP OFF

- Please drop off members in the circle drive (no more than 15 minutes early)

8th GRADE CARPOOL DROP OFF

- Please be aware that 7th Grade sessions end 30 minutes prior so it is important not to arrive more than 15 minutes before 8th grade session begins.
- If 7th grade carpool is not finished, you will be directed to park and wait. Please do not enter the 7th grade carpool line.

CARPOOL PICK UP (7th and 8th)

- Bocage employees as well as Cotillion Board members will be onsite to help direct traffic and minimize blockage of their parking lot. It is important that we do not form a line blocking members' cars and parking.
- If you arrive before someone is out there to direct, please park and wait. Once they are on post, notify them that you are with Cotillion so you receive your place in line.
- Depending on traffic, you may be asked to park. You will then be asked to pull into the circle drive in the order that you arrived.
- A board member will walk the line and record names that will be called upstairs. Members are dismissed in that order. Please make sure your child knows who they are riding with in order to not stop carpool flow.

• WALK UP OPTION (7th and 8th)

- To avoid the carpool line, you have the option to park and walk up to drop off or pick up your child.
- Please use the parking spots closest to Jefferson Highway for walk up.
- For pick-up, walk to the overhang at the circle drive and give your child's last name to the board member or parent chaperone.

• For safety reasons, it is BRC policy that **members are not allowed to leave a session without an adult.**

- Members who live nearby ARE NOT allowed to walk home without an adult.
- Members who belong to Bocage ARE NOT allowed to walk to the tennis courts, pool or other area without an adult.
- Members ARE NOT allowed to walk to a parked car.
